We selected the broadest range of genres which cover the overarching story of Scripture. While you will read through the entire New Testament, you will not cover all of the Old Testament. Below is the list of books that have been omitted. Since these books are equally important and inspired, we encourage you to periodically set aside time throughout the year to read them as well. Many can be read in a single sitting, while some may require more time. Alternatively, you can read an additional chapter per day (roughly) to complete the omitted 410 chapters of the Old Testament:

- Num
- Deut
- Judg
- 1 Kgs
- 2 Kgs
- Ezra
- Neh
- Esth
- Job
- Prv
- Ecc
- Song
- Jer
- Lam
- Ezek
- Dan
- Joel
- Amos
- Nah
- Zech
